The Evergreen Valley Snowmobile Club is actively supporting the following organizations and asks that you give us a hand.

\*Easter Seals Camp SNO MO – a nationally-recognized, residential camp program, sponsored by the New Hampshire Snowmobile Association to create a life-changing experience for campers, children and young adults with disabilities and special needs, ages 11-21, inclusively participate alongside Boy Scouts in a wide variety of activities including water sports, team sports, hiking, archery, a ropes course and crafts.

\*Moose Mountain Regional Greenways – With the rapid development of the area, the land for us to ride on is becoming extinct. The MMRG group is actively putting land in conservation. We have been working with them and they support the recreational use of snowmobiling on their property. We need to support them, please help.
