The Evergreen Valley Snowmobile Club is actively supporting the following organizations and asks that you give us a hand.

Easter Seals Camp SnowMo – A long time benefactor of the snowmobilers', our club took a more active role by holding a special Texas No Hold tournament to raise additional dollars last year. The club plans to do it again this year. Please plan to attend or maybe you could help out with a donation.

Moose Mountain Regional Greenways – With the rapid development of the area, the land for us to ride on is becoming extinct. The MMRG group is actively putting land in conservation. We have been working with them and they support the recreational use of snowmobiling on their property. We need to support them, please help.
